INDUSTRY EXPERIENCE

Media Content Editor - New York Film Academy

June 2015-Present

I currently maintain a full time editor's position editing branded promos, web series, and Q & A multi-cam panels. Duties include finding appropriate music and timing it for maximum effect, adding sound effects/graphics to achieve a styled piece, addressing cut per director's notes, and prepping projects for mixing and color correction.

Writer & Director - JoiFuFilmz (personal brand)

Oct. 2014-Present

On going development of original animated and live action content. Oversaw 5 Short Films from first draft to the final editorial and sound mixing sessions. (joioelleworley.com/narrative)

Editor (Short Film) for "To The Finish" - Face2Face Productions

Mar. 2016

After transcoding footage, I assembled a completed cut of the film within 48 hours for a festival deadline. Added sound effects, color corrected footage, and found appropriate music for the film.

Animatic Editor - Independent Animated Short

May 2015 - Oct. 2015

Created animatics from digital storyboard panels and updated progress cuts incorporating director's notes. Added sound effects and appropriate music to sell timing and the concept of a scene.

Videography/Editing Intern - Dreamworks Animation, LLC

Jan. 2015-April 2015

Worked under the Videography Dept. to record multiple studio events and in-house training sessions. Edited and synced video/audio presentations within a given deadline. Attended selected dailies, interfaced with studio professionals, and gained an understanding of the studio brand.

Development Intern - Captivate Entertainment

Jan. 2015-April 2015

Provided in-depth coverage for multiple scripts and books in a timely manner. Completed special assignment research projects while finding articles with marketable source material.

Development Intern - The Gotham Group

Oct. 2014-Dec 2014

Created in depth book coverage to literary manager Shari Smiley while simultaneously providing episodic and feature film coverage to additional Gotham Group Managers. Covered reception area rolling calls and interacted with clients.

Editor/Videographer - mChristopher Media, LLC

June 2014-Aug. 2014

Filmed and photographed the daily activities of the C-House Basketball Camp. Created marketable commercial content for the camp's promotional use including several commercial promos and a feature length documentary.

Editing Intern - Audiotree Music, LLC

May 2014 - Aug. 2014

Pulled, organized, synced, and edited footage for commercial projects and sizzle reels. Edited the studio session and singles for the band, Wild Party.
